'Section 2a. Hospital Districts cre-

The property assessed for said Hospital Districts, upon the order of the Commissioners Court of the County, shall be assessed at such percentage of its fair cash market value as the Commissioners Court orders, which may be a greater percentage than that used in assessing the property for State and County purposes.

'Further, the Assessor and Collector of Taxes of said counties shall charge and deduct from payments to the Hospital District the fees for assessing and collecting the tax at the rate of not exceeding one and one-half (1½) per cent of the amounts assessed as approved by the Board of Equalization and one and one-half (1½) per cent of the amounts collected, as may be determined by the Commissioners Court.

At said election there shall be submitted to the qualified property taxpaying voters the proposition of whether the property within said Hospital District, upon the order of the Commissioners Court to the Assessor and Collector of Taxes of the County, shall be assessed at a greater percentage of its fair cash market value than that percentage assessed for county and state purposes, as may be determined by the Commissioners Court, and a majority of the quali-
